

Causing death by dangerous driving – step 2 factors

The starting points and category ranges below relate to a single offence resulting in a single death. Where another offence or offences arise out of the same incident or facts, concurrent sentences reflecting the overall criminality will ordinarily be appropriate.

Where more than one death is caused, it will be appropriate to make an upwards adjustment from the starting point within or above the relevant category range before consideration of other aggravating features. In the most serious cases, the interests of justice may require a total sentence in excess of the offence range for a single offence. See the Totality guideline and step six of this guideline.

Starting point and category range

Culpability	Starting point	Range
High	12 years	8 – 18 years
Medium	6 years	4 – 9 years
Lesser	3 years	2 – 5 years

Below is a **non-exhaustive** list of additional elements providing the context of the offence and factors relating to the offender. Identify whether a combination of these or other relevant factors should result in any upward or downward adjustment from the sentence arrived at so far.

Factors increasing seriousness

Statutory aggravating factors:

- Previous convictions, having regard to a) the **nature** of the offence to which the conviction relates and its **relevance** to the current offence; and b) the **time** that has elapsed since the conviction
- Offence committed whilst on bail

Other aggravating factors:

- Victim was a vulnerable road user, including pedestrians, cyclists, horse riders
- Driving for commercial purposes
- Driving an LGV, HGV or PSV etc
- Other driving offences committed at the same time as the dangerous driving
- Blame wrongly placed on others
- Failed to stop and/or assist or seek assistance at the scene
- Passengers, including children
- Vehicle poorly maintained
- Serious injury to one or more victims, in addition to the death(s) (see step 6 on totality when sentencing for more than one offence)
- Offence committed on licence or while subject to court order(s)

Factors reducing seriousness or reflecting personal mitigation

- No previous convictions or no relevant/recent convictions
- Impeccable driving record
- Actions of the victim or a third party contributed significantly to collision or death
- Offence due to inexperience rather than irresponsibility (where offender qualified to drive)
- Genuine emergency
- Efforts made to assist or seek assistance for victim(s)
- Remorse
- The victim was a close friend or relative
- Serious medical condition requiring urgent, intensive or long-term treatment
- Age and/or lack of maturity
- Mental disorder or learning disability
- Sole or primary carer for dependent relatives
