

Causing death by driving; disqualified drivers

Road Traffic Act 1988 (section 3ZC)

Triable only on indictment

Maximum: 10 years' custody

Offence range: Community order – 7 years' custody

This is a specified offence for the purposes of sections 266 and 279 (extended sentence for certain violent, sexual or terrorism offences) of the Sentencing Code.

Obligatory disqualification: minimum 2 years with compulsory extended re-test

STEP ONE**Determining the offence category**

CULPABILITY	
The court should determine culpability by reference only to the factors below, which comprise the principal factual elements of the offence.	
High culpability	<ul style="list-style-type: none"> • Driving shortly after disqualification imposed • Vehicle obtained during disqualification period • Driving for commercial purposes Driving LGV, HGV, PSV • Significant distance driven
Medium culpability	<ul style="list-style-type: none"> • Cases falling between higher and lesser culpability because: <ul style="list-style-type: none"> ○ Factors are present in higher and lesser culpability which balance each other out and/or ○ The offender's culpability falls between the factors as described in higher and lesser culpability
Lesser culpability	<ul style="list-style-type: none"> • The offender genuinely believed that he or she was not disqualified to drive • Decision to drive was brought about by a genuine and proven emergency • Driving whilst disqualified by pressure, coercion or intimidation (where not amounting to a defence)

HARM

For all cases the harm caused will inevitably be of the utmost seriousness. The loss of life is taken into account in the sentencing levels at step two.

STEP TWO

The starting points and category ranges below relate to a single offence resulting in a single death. Where another offence or offences arise out of the same incident or facts, concurrent sentences reflecting the overall criminality will ordinarily be appropriate

Where more than one death is caused, it will be appropriate to make an upwards adjustment from the starting point within or above the relevant category range before consideration of other aggravating features. In the most serious cases, the interests of justice may require a total sentence in excess of the offence range for a single offence. See the Totality guideline and step six of this guideline.

Starting point and category range
--

Culpability	Starting point	Range
High	5 years	4 – 7 years
Medium	3 years	2 – 5 years
Lesser	1 year 6 months	High level community order to 2 years

Below is a **non-exhaustive** list of additional elements providing the context of the offence and factors relating to the offender. Identify whether a combination of these or other relevant factors should result in any upward or downward adjustment from the sentence arrived at so far.

Factors increasing seriousness

Statutory aggravating factors:

- Previous convictions, having regard to a) the **nature** of the offence to which the conviction relates and its **relevance** to the current offence; and b) the **time** that has elapsed since the conviction
- **Note:** An offender convicted of this offence will always have at least one relevant previous conviction for the offence that resulted in disqualification. The starting points and ranges take this into account; any other previous convictions should be considered in the usual way.
- Offence committed whilst on bail

Other aggravating factors:

- Victim was a vulnerable road user, including pedestrians, cyclists, horse riders
- History of disobedience to disqualification orders (where not already taken into account as a previous conviction)
- Disregarding warnings of others about driving whilst disqualified
- Blame wrongly placed on others
- False details given
- Failed to stop and/or assist or seek assistance at the scene
- Passengers, including children
- Serious injury to one or more victims, in addition to the death(s) (see step 6 on totality when sentencing for more than one offence)
- Offence committed on licence or while subject to court order(s) (not including the current order for disqualification)

Factors reducing seriousness or reflecting personal mitigation

- No previous convictions or no relevant/recent convictions
- Actions of the victim or a third party contributed significantly to collision or death
- Efforts made to assist or seek assistance for victim(s)
- Remorse
- The victim was a close friend or relative

- Serious medical condition requiring urgent, intensive or long-term treatment
- Age and/or lack of maturity
- Mental disorder or learning disability
- Sole or primary carer for dependent relative(s)

STEP THREE

Consider any factors which indicate a reduction for assistance to the prosecution

The court should take into account section 74 of the Sentencing Code (reduction in sentence for assistance to prosecution) and any other rule of law by virtue of which an offender may receive a discounted sentence in consequence of assistance given (or offered) to the prosecutor or investigator.

STEP FOUR

Reduction for guilty pleas

The court should take account of any potential reduction for a guilty plea in accordance with section 73 of the Sentencing Code and the Reduction in Sentence for a Guilty Plea guideline.

STEP FIVE

Dangerousness

The court should consider whether having regard to the criteria contained in Chapter 6 of Part 10 of the Sentencing Code it would be appropriate to impose an extended sentence (sections 266 and 279).

STEP SIX

Totality principle

If sentencing an offender for more than one offence, or where the offender is already serving a sentence, consider whether the total sentence is just and proportionate to the overall offending behaviour in accordance with the Totality guideline.

STEP SEVEN

Compensation and ancillary orders

In all cases the court should consider whether to make compensation and/or other ancillary orders.

Ancillary orders – Crown Court Compendium

STEP EIGHT

Reasons

Section 52 of the Sentencing Code imposes a duty to give reasons for, and explain the effect of, the sentence.

STEP NINE

Consideration for time spent on bail (tagged curfew)

The court must consider whether to give credit for time spent on bail in accordance with section 240A of the Criminal Justice Act 2003 and section 325 of the Sentencing Code.
